Community School is made possible by the following organizations:

## Community School

Partners for Our Communities  
at Winston Campus  
2017 - 2018

**A COMMUNITY SCHOOL** brings together residents and organizations in a community to build upon the education offered during a normal schoolday. Here, parents and children learn a broad spectrum of skills side-by-side thanks to an integrated focus on academics, health & social services, youth & community development, and community engagement.

**Who?**

We offer dedicated programming for teens, youth, and parents, as well as whole-family programs. And there is always free childcare available.

**WHERE?**

Winston Campus  
120 N. Babcock Dr.  
Palatine, IL 60074  
Please enter at Door 8

**WHEN?**

October 17 - May 17  
Tuesday through Thursday  
4 PM - 7 PM

**TEEN PROGRAMING** aims to develop skills in junior high students that will enable them to participate better in high school, jobs, and their community.

Programs include:

- Homework help
- Fitness classes
- STEM activities
- Peer mentoring
- Enrichments: art, cooking, woodworking, agriculture, language, sewing, and many more!

**YOUTH PROGRAMMING** simplifies the teen programming curriculum and adds some all new activities for kids.

Programs include:

- Homework help
- Music
- 4H curriculum
- Art/crafts
- Enrichment: sewing, STEM activities, dance, running/walking club, Lego building, and many more!

**PARENT PROGRAMING** is designed to respond to the unique needs of the District 15 Community. A number of partnering organization will lead workshops.

Guests include:

- Northwest Community Healthcare  
Community Nurse
- Fire Department
- Police Department

**FAMILY PROGRAMMING** offers parents and children of all ages the opportunity to learn and grow together.

Programs include:

- Fitness classes
- Conversational ESL
- Basic Computer classes
- Family Art classes
- Family Cooking
