I Compete!

OUR MISSION

To introduce underserved families to athletics, arts, and academics by breaking down the barriers of access in order to stimulate interest, provide academic support, and increase opportunities for underserved families to participate in organized sports, clubs, or community programs.

Each year, ICompete offers a variety of programs to the Palatine Community. Each program is designed to offer academic assistance or exposure to new opportunities. In doing this, ICompete builds strong leaders and healthy youth. All ICompete programs are designed to be free or affordable for families. ICompete has grown over the past 10 years through the dedication of partners, staff, committee members, and donors.
