## Moment of the Month December 2017

Gary Umlauf, Cornerstone National Bank & Trust Senior Vice President and Kathy Millin, POC Executive Director, have chosen to dedicate the 2017 Cornerstone Bank Club holiday toy donation in honor of Jack O'Connor.

For seven years, Jack tirelessly and lovingly played “Santa” to over 700 children. He did this by volunteering his time and organizing the Cornerstone Breakfast Club, Breakfast Group, and SURGE group members to collect toys for at risk children residing in Palatine. Jack wanted each child to enjoy the holiday season by receiving a special gift.

On behalf of the families that experienced the love and joy of holiday giving over the years, we want to thank Jack O'Connor for his leadership and service to the community of Palatine.
