

CARNIVALE

A MULTICULTURAL CELEBRATION

Dear Valued Donor,

At Partners for Our Communities, we've served under-resourced children and families in North Suburban Cook County for over 26 years. This March, we're aiming to raise \$60,000 to support children and families with parent workshops, case management, health and wellness resources, out-of-school time activities and camps, and assistance with employment, education, immigration, rent, food, and more.

On Thursday, March 31, 2022, we will host our **Carnivale: A Multicultural Celebration** fundraising event offering food, drinks, raffles, and games to celebrate all the cultures and the communities we serve. We think our efforts would go even further with you as an official sponsor.

In this role, your business would donate based on the level you wish to participate at and in turn, we would promote your company at our event and in our newsletter, website, and social media.

With YOU by our side at this upcoming event, we're sure to achieve this season's fundraising goal and serve our community well.

If your company is interested in being a sponsor, please reach out to Kate Himes at kate@kateify.com or check out POC's website for more details and to donate www.poc.news/carnivale. We can't wait to hear back!

Gracias,

Kathy Millin

POC Executive Director
